COMBINED WITH

Bromide of Potassium. Purchase a Bottle and carefully read direc-

DUCHU IS A STIMULANT, and of itself may fail to effect a cure, but Buchu. when scientifically combined with Bromide of Potassium and other ingredients, pro-duces a sedative effect, and causes a healthy

action, thus increasing the powers of digestion, allaying irritation, reducing all un-natural swellings, stopping pain and inflammation, and causing the renairs and nutri-ments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain the re-

in the Back and Legs. Trembling in the re-gion of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula-Syphilis, in its many forms, Ulcers, and If your system is affected by any of the above symptoms and diseases, relief is at hand. Get a bottle of my Buchu and Bromide of Potassium at once and you may re-

ly on being cured. I know just what I say. My record as a Compounder of Medicine is second to no man in the Southwest.

Twenty-five or thirty years ago, as my fellew-citizens know full well, found me be hindshe prescription counter in the city in which I now dwell: I have cured more people of various diseases than all the physicians in Louisville put together Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medinext door to McCutchen & Co's, Store,) cines are a success-a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and an-other has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive.

My Medicines are good and answer the J. H. DAVIS purpose-that is the secret of my success. My reputation as a compounder of good, reabls articles is fully established. I believe my Buchu and Bromide of Potassium is the best article now in the market for the cure of all diseases of the urinary or genito-nurinary organs, such as Noctur nal Incommence, Irritability of the Bladder and Ure hrs. Inflammation of the Pelvis of the Kidney, and all that class of diseases. Buy a dollar bottle and be cured. Use as per directions in all cases.

AGUE AND FEVER

CHILLS AND FEVER The proprietor of this celebrated medi-cine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He re-fers to the entire Western and Southwestera country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly lowed and carried out. In a sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi-
